

# Painting Workshop on location in the Footsteps of Provence Painters

*The workshop will be marked by theoretical approaches  
practical sessions at the atelier located in Marignane which will  
then be applied on location in different iconic places in Provence.  
It will also include visits to cultural sites to enhance your  
knowledge of Provencal masters and nurture your creativity!  
Whether you are a beginner or a seasoned artist,*

*I will adapt to your level and preferences, regardless of the  
technique used (watercolour, painting, drawing...).*
